

DEVOTIONAL OUTLINE

Praise the Lord Saints!

We are excited and energized regarding our upcoming trip to the Holy Land, leaving on Monday May 16th.

Realizing that many of you are not able to join us in person, we wanted to ensure that we could share and experience some of the highlights with all of you.

To make this possible we have engaged a videographer and other persons who will help capture these life-changing experiences. This will provide opportunities to share with you and others in detail what we experienced when we arrive back home.

In addition, we urge you to join with us, sharing timely devotionals that will focus on the various sites we plan to visit, and to connect them with Biblical perspectives.

We urge you to commit to these devotionals and follow along with us as we experience them. Feel free to share these with others, family, friends, co-workers, etc. as a powerful witnessing tool, and connect with them some of the critical places where our Lord walked and did ministry with the disciples and the multitudes.

I urge and am confident that you will keep us in your prayers and hearts as we walk in the footsteps of Jesus and those whom He impacted.

Blessings and Shalom to you all!
